

Walking Field Trip Permission Form

School year 2018-2019

Occasionally throughout the year classrooms take "walking field trips" within our community (Nojaims, bank, park, village, etc.). Because students are leaving school grounds we still require your permission for students to attend. In an effort to streamline our process, we are offering the opportunity to give your permission for the school year for your child to participate in "walking field trips". You will still be notified of any field trips but your signature below will constitute your permission for the 2018-2019 school year. As always, at any time, you may withdraw your permission. If you wish to provide blanket "walking field trip" permission for the school year, please sign below and return this form to your child's homeroom/classroom teacher.

I give permission for my child to participate in any "walking field trips" into the community for the 2018-2019 school year. I understand I will be informed by the teacher and given all pertinent information regarding each trip as they occur. I also understand I may decline my child's participation at any time.
