Dear Marcellus Families:

It seems like forever ago when I sent my last letter explaining that we would be moving to bring all interested students back for 5 days a week of in person instruction. Since that time, we have been busy at work to ensure that our plans are sound and we are ready.

Over the course of planning and having conversations with staff, it came to my attention that there are a number of items you may need to keep in mind regarding transportation during this time of transition in the district. I have detailed them for you below:

- If you wish to have your child change from you dropping him/her off to using bus transportation, please use a transportation change form to do so. This is a tool that is critical to our tracking system
- If you wish to transport your child rather than have them ride the bus, use the same process
- Recognize that run times, including pickup and dropoff may not be exact and may vary a bit over the course of the next month or so.
- Discuss with your child the need for them to maintain an assigned seat once the driver has all of the various iterations of the return plan ironed out.

I ask for your grace as we embark on this new phase of our reopening planning. We have every confidence that no issue is too big to overcome if we work to find a solution together. Thank you for all of your support!

Sincerely,

Michelle L. Brantner
